Our Mission

Our vision at KidsCo Jr. is to provide a home away from home that fosters growth and learning in a comfortable, nurturing, and consistent environment.

It is a place where each child's individual process will be respected and encouraged. We will tap into each child's natural curiosity, discover and develop his or her unique talents, and inspire creative freedom.

Above all, our primary goal is to learn from and listen to all of our families to build a strong community bond that will ensure that we are caring for each child as if he or she is our own.

Frequently Asked Questions

Where is the camp?

We are based within Lois P. Rockwell Elementary School in Damascus, MD. Being an outdoor camp, our days are planned around an activity rotation. Most of our events, lunches, Guests of Honor, group fitness times and camp activities are based outside in the grassy areas, tree shade, playgrounds, blacktops, and surrounding woods! Each group will also rotate through our Game Room and our Craft Corner which are air-conditioned.

Who will be working with my child?

Each of our team members is considered our most valuable resource and has been hand chosen to work with our families' children. All team members are valued, appreciated, and encouraged to have input into the program which fosters a sense of ownership. Background checks & KidsCo Jr. Orientation training are also mandatory!

What types of measures are there to keep my child safe?

In addition to having a key-pass entry and access to a MCPS facility, KidsCo Jr. has many procedures in place to ensure the safety of everyone on site. Safety measures include monthly fire drills, CPR & First Aid training for ALL staff, identification policy for guests to pick up a child, and emergency preparation.

What will my child enjoy at camp?

Along side an exciting theme, each week is packed full of activities! Activity rotations such as group games, sensory tables, tricycles and parachute time are scheduled around camp-wide events on Water Days, Play Days and Theme Event Days. To enhance each theme we also have two art projects and an amazing Guest of Honor who brings the adventure of a field trip to us.
