THE JUNIOR JOURNAL

DEAR KIDSCO JR. FAMILIES:

May is here and we are blooming with excitement on all that's in store for our final full month of the school year! During the month of May, our little learners will be diving into new themes that will continue to help them discover the world around them: Weather, Health & Nutrition, Doctors and Pets. Through hands-on activities, stories, and discussions, children will learn about different types of weather, the importance of healthy habits, how doctors help keep us well, and how to care for animals.

We also have fun events coming up such as: Cinco De Mayo and Mother's Day. We can't wait for all the fun that's in store!

SUNNY DAYS AHEAD REMINDER:

As the weather gets warmer, we will begin updating the extra clothes bins to ensure your little one's clothes are up to date for the season.

We will also begin applying sunscreen, so please make sure any necessary topical authorization forms are up to date. Additionally, be sure to check Daily Connect regularly for reminders or updates regarding any items your child may need replenished. Thank you for your continued support!
