

March 2026

THE JUNIOR JOURNAL

DEAR KIDSCO JR. FAMILIES:

March is here and Spring is right around the corner! We look forward to all the beautiful changes Spring has to offer. As we transition from Winter to Spring, we have many fun activities planned for the month of March.

We'll explore Transportation (air, land, and water), celebrate with a fun St. Patrick's Day party, and enjoy our healthy eating Rainbow Week as we taste fruits and vegetables in every color of the rainbow. As we welcome the new season, we'll also dive into Spring themes and Farm Week learning activities. Don't forget! Spring pictures are coming up soon, so please stay on the lookout for information about your child's picture day!

RAINBOW WEEK:

During the week of March 16, we'll be celebrating healthy eating in a fun and colorful way! Each day at our 10:30 a.m. morning snack, the children will enjoy a fruit & vegetable that matches the color of the day. This is a wonderful opportunity to introduce new fruits and vegetables, encourage healthy habits, and explore how eating a variety of colors helps our bodies grow strong. We're excited for a bright and tasty week ahead!
