# THE JUNIOR JOURNAL

## a special note,

Welcome back, families! We hope everyone had a wonderful summer and is off to a great start to the new school year! It has been so nice seeing everyone back in the classroom and watching the children jump right into their days with so much joy, excitement, and curiosity. We are already seeing lots of learning, exploring, and fun happening, and we're excited for all that this year has in store!

This month, the children will be exploring some fun themes, including All About Me, Friendship, Our 5 Senses, and Apples. We're looking forward to learning more about what makes each child special, building friendships, discovering the world around us through our senses, and enjoying some fun apple-themed activities along the way!

Thank you for being part of our school family. We're looking forward to a wonderful year filled with lots of learning, laughter, and memories! Happy September and cheers to a great year!
