THE JUNIOR JOURNAL

DEAR KIDSCO JR. FAMILIES:

Fall is here and we're anticipating for an amazing season ahead - full of discovery, imagination and fun! We look forward to seeing the leaves change, embrace the crisp days and making memories with all the fall-themed events taking place this month.

To begin the month of October, we will be diving into Fire Safety week. We will learn about the importance of fire safety, practice stop, drop and roll, and we will also have a special visit from our local firefighters! We will then unpack the wonders of the beautiful Fall season - from discovering why leaves change colors to embracing the different changes - we are excited to witness all that Fall will bring. The following week will be about Farm Animals. We will discover different farm animal life cycles, play farm animal games, learn about farm animal habitats and more! We will wrap up the month of October with Pumpkin week. We will have pumpkin seed sensory bins, do some pumpkin exploration, and end the week with our Halloween Parade and Party!

With many events taking place this month, please ensure to keep checking daily connect to remain up to date. We look forward to sharing this colorful season with your little ones!
