## Dear KidsCo Jr. Rockwell Families,

Happy November! We had an amazing October and can't wait to see what the last two months of the year brings! I can't even believe I'm saying the "last two months"! Thank you for the donations for our Halloween parties and to all who participated in our Stand-or-treat. Rockwell families rule!

Parent-teacher conferences are coming up soon. Sign-up sheets will be on the parent table, please check the top of the page to make sure you are signing up for the correct room. We will have a fun, yummy Thanksgiving feast on Tuesday, November 26th for lunch right before our Thanksgiving break. Speaking of Thanksgiving, if you haven't done so already, help us fill up our thankful tree by filling out a thankful leaf located on the parent table. We will be doing a canned food drive from November 4th until November 22nd. Food donations will go to St. Martins Catholic Church's food pantry. If you have any questions, please don't hesitate to ask!

With the weather getting cooler, please make sure you send in weather appropriate extra clothes for us to keep here. High fives to all for signing your children in and out! Thank you wonderful parents! Lets make November a month full of superb memories! By the way, GO COMMANDERS!

With Love,  
Ms. Brenda, Director

Happy November orange room families! We had an incredible October! Our themes this month are healthy choices/germs, farming, Native Americans, and Thanksgiving! I have so many cool projects planned for this month; I can't wait to see my friends enjoy them! This month we will be focusing more on fine motor skills and also continuing, learning about shapes, colors, numbers, and letters! I will also be introducing cutting and tracing this month! We are also looking forward to Thanksgiving and teaching my friends what being thankful is! I'm so thankful for all my orange room friends! Let's have a lovely November!

## Blue Room

Hello, Shark Families. Happy November 🦈🍂! This month we have some exciting things planned! During November, we will learn about Healthy choices/germs, Farming ,Native Americans, and Thanksgiving! During healthy choices/germs we have a fun activity in which we will blow different color paint into a hand template with a straw to learn how germs are spread. For farming week, we will be learning how to milk a cow. During Native American week, we will make a feathery headdress. Finally, the week I'm most excited about is Thanksgiving! I'm looking forward to our thanksgiving feast and a donut turkey craft in which we all get to enjoy at the end! I can't wait to share photos of all the exciting fun activities and crafts.
