

JUNIOR JOURNAL

March 2026

Dear KidsCo Jr Rockwell Families,

March is here! I cannot wait for the warm weather and beautiful greenery that will begin to grow! Thank you all so much for your sweet valentines and love letters to your child. They loved hearing them!

We have a lot of fun going on this month. Our Book blast is still going on until the 10th! Please reach out with any questions you may have. The Read Across America event is going on this week starting Monday, the 2nd! There is still some slots open to read a book to your child's class. I can't wait to hear the stories read by our parents! St. Patrick's day is around the corner and I have a feeling we will eat green food and may have a visit from a fun leprechaun! Don't forget to wear green! Future Kindergarten parents, be on the look out for reminders about our upcoming field trip.

I am so excited for daylight savings time, with the wonderful sun out longer! I hope you can find the gold at the end of a rainbow this month!

With Love, Ms. Brenda

Purple Room

Hello Purple Flowers!
March is here, and we're ready for a month full of fun and learning! We'll kick things off with the wacky world of Dr. Seuss, enjoy a mini circus week, celebrate St. Patrick's Day, and dive into spring along with Easter-themed projects. Our days will be packed with sensory play, hands-on activities, and fine motor fun exploration. Let's hope for nice weather this month no more snow! We can't wait for all the March adventures with our Purple Flowers! 🌸

The toddlers are so excited to welcome spring! 🌻☀️ We will start with bugs/insects and will make insect crafts like spiders and explore insects with magnifying glasses. Next, will be transportation along with a car wash sensory bin and learning the letters of our names with a rocket ship. We will move on to St. Patrick's Day by fun crafts and we will stamp some clovers using peppers! We will end the month by celebrating the arrival of spring! We will have a flower shop sensory bin and make spring art projects. We can't wait for another great month!

Orange Room

Yeilin Martinez: YMartine@KidsCoOnline.com

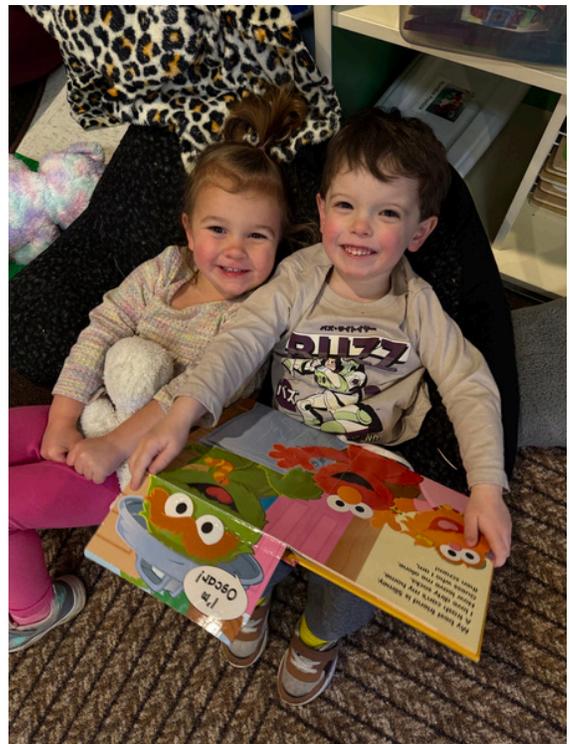

Happy March, Orange Room families! 🌸

This month our themes are Dr. Seuss, cooking/baking, St. Patrick's Day, and welcoming spring!

One of my favorite themes of the year is cooking/baking week – We have so many fun recipes planned for us! One of the things we'll be making is homemade ice cream, so exciting!

We'll also be setting up a leprechaun trap... just in case one decides to stop by our classroom! 🍀✨

Let's make it memorable March! 💚

Blue Room

Marissa Chavez: MChavez@KidsCoOnline.com

Hello Blue Jay Families! We are so excited for this fun filled month! We are starting our month celebrating Dr. Seuss. We will create our own Cat in the Hat hats using the letters of our names and explore rhyming words! Next, we're off to the Circus! The children will play fun carnival games and make their own clown craft! Then, we will celebrate St. Patrick's Day by creating a rainbow using Lucky Charms and marshmallows! Lastly, we will welcome Spring by going outdoors to explore what spring bugs we can find. We are super excited for this month! 🌈🏠🌸

Green Room

Damary Zelaya: DZelaya@KidsCoOnline.com

Happy March, Green Rocket Families! 🍀🌈🌸 We have an exciting month planned! To kick off March, we will be learning about Dr. Seuss and read a couple of stories along with activities like making our own yummy green eggs to take home! Next, comes circus! 🤡🏠 We will make our own edible circus using graham crackers and frosted animal crackers! After that, St. Patrick's Day! 🍀🌈 We're looking forward to making our very own leprechaun traps! To wrap up the month, we'll be welcoming spring! 🌸🌸🌿 We have lots of fun outdoor activities planned and can't wait to spend more time outside exploring and enjoying the fresh air!
