

JUNIOR

May 2026

JOURNAL

Dear KidsCo Jr Rockwell Families,

We are about a month and a half away from Summer Camp! How is that possible?! Thank you parents for helping us clean the Earth for Earth Day! We had such a fun time and we were so excited to have you with us for the picnic!

This month we have some exciting things planned. We are starting off strong with our annual Muffins with Mom/Mom figures! We hope you can join your littles for a yummy, early Mother's Day treat. Sign up sheets are on the parent tables with different time slots.

The next big event is our Green Room Graduation! These little guys and gals will be going to Kindergarten! More info on graduation will be sent out to our green room families via email. If you haven't done so already, please send in sunscreen along with the authorization form as we have begun to apply sunscreen.

Please also check to make sure the sunscreen or anything you send in is labeled and not expired. I hope this month brings you warmth and joy!

With Love,
Ms Brenda(Director)

June 23rd: Election Day, KidsCo Jr. CLOSED

Happy May! This month, we are excited to explore new themes! During Mother's Day, we will make a special gift to shower the wonderful women in our lives! Next is sports week! We will use different textured materials to make sports balls. Weather week will be full of fun! We will explore and sort different clothes for each season. Lastly, zoo! Our zoo week will be filled with different animals and their sounds! The Purple Flowers babies are looking forward to enjoying the warmer weather so that we can go outside more.

Purple Room

DButler@KidsCoOnline.com

CJaeger@KidsCoOnline.com

Older purple room is starting the month by learning about caterpillars and butterflies.

We will sponge paint butterflies and make very hungry caterpillars! Then during sports week, we will learn about soccer, football, running, and more! We will be outside a lot and use our gross motor skills with different kinds of balls/sports equipment. Following sports, is birds and eggs. We will learn about nests and what hatches out of an egg! We will wrap up May with dinosaurs. We will use dinosaurs to stomp in paint and playdoh to see what kinds of tracks they make. We are ready for May!

Orange Room

Happy May Orange Room families!

This month's themes are transportation, sports, pond life, and book week! We can't wait to learn how to play different sports and spend a lot of time outside running around!

We are also especially excited for pond week—now that we have tadpoles, we'll be able to observe them and watch how they grow and change into frogs! 🐸 This will be our last full month of school. I can't believe how fast the time has gone already! Let's make it another great month together!

VMartinez@KidsCoOnline.com

Blue Room

Happy May Blue Room Families! We are so excited for May and kick off the month, we will be learning about transportation! We will sort land, water, and air forms of transportation using toys we have. Next, we will sports week! We will be going outside and learning how to play different sports each day. Following sports is pond life. We are going to explore different animals that live in the pond and also keep observing the tadpoles we have in our center. Lastly, we will read fun books during book week. We will focus on one book a day and do activities based on the book. See you soon!

MChavez@KidsGoOnline.com

Green Room

Happy May, Green Rocket families! We can't believe it's already May, time is flying! To kick off the month, we will be learning about transportation. We will learn different ways people travel from place to place and make a sailboat sensory bin. Next, we'll move on to sports! We will use real balls to play the different sports and make a sweet baseball to eat. After that, we will explore pond life! We're looking forward to watching our tadpoles grow and eventually releasing them once they become frogs. To wrap up May, we will focus on book week. Each day, we'll explore a different book, and do activities base on that book! We can't wait to share photos of all the exciting activities and crafts planned for May!
