The Junior Journal

November 2026

Dear KidsCo Jr Rockwell families,

What a fun October! Thank you parents for donating party items for our Halloween party and/or donating your time towards our Stand-or-treat! We had a blast and the party is still going!

November is full of yummy foods and lots of love! We will be running a canned food drive from November 4th- 20th. We will be donating the food to Damascus Help Inc. There will be a box next to the parent tables with a donation sign on it. Thank you in advance for helping us provide some food for others during this fall season.

Be on the look out for Parent-Teacher conference sign up sheets. This will take place November 16th-20th. Each class has a sign up sheet with the color of their class on the boarder. This is a great oppertunity to speak to your child's teacher and get some insight on all the wonderful things your child has learned so far!

We will be hosting our annual Thanksgiving Feast during the day on Wednesday, November 25th! We will be providing a yummy lunch for all the kids so no need to pack a lunch that day!

I hope this month brings your family love, good health, and happiness! I am so thankful you and your family are apart of our Rockwell family!

With Love, Mrs. Brenda (Director)

Purple Room

Hello, November!

November is bringing lots of new things to discover in the Purple Flowers Room! This month, we'll talk about healthy choices and keeping those germs away. We will also get to know some furry friends during pet week and we will use our touch and feel books to see what some feel like. We will explore Native American culture and traditions, and celebrate Thanksgiving together. We can't wait to see what our little learners discover this month!

DButler@KidsCoOnline.com
CJaeger@KidsCoOnline.com

The Purple room is ready to welcome November! We will start the month with a week about germs/being healthy! We will make some healthy food crafts, wash some rubber glove "hands" in our sensory bin, and use our friend Coughing Katie to help us cover our coughs! The next week will be all about our pets! We can't wait to make puppy and fish crafts and explore in an animal food sensory bin! The last 2 weeks we will celebrate Thanksgiving and Native Americans. We will make turkey crafts, use feathers for a fine motor activity, make some pumpkin pie, and create our very own Native American headdresses! We can't wait for the fun to start!

Orange Room

Happy November, Orange Room Families! This month, we will learn about healthy choices and germs. We will learn how to care for our bodies by doing fun exercises and go over how to brush your teeth properly. Next up, pet week! This is the week we are MOST excited about! We'll be learning how to care for our pets, share the pets we have, and talk about all the things that make our furry friends so special! Following pets is Native Americans. We will explore Native American cultures and traditions. We will make an edible teepee and design our own feather necklaces. Lastly, we have Thanksgiving. As Thanksgiving approaches, we'll learn what it means to be thankful and talk about the people and things that make us feel grateful. We'll also practice color recognition through fun, turkey-themed activities! We can't wait for all the fun, learning, and sweet memories we'll make this month! We're so thankful we get to spend each day with our amazing Orange Room friends!

Blue Room

MChavez@KidsCoOnline.com

Happy November, Blue Room Families! We're kicking off the month by learning about Healthy Choices and Germs! Our friends will make delicious and healthy fruit sticks. We will also learn about germ prevention by using tissues to cover pretend noses that spray out "germs"! Next, we'll jump into Pet Week, where our friends will sort different pets based on whether they live in tanks, cages, or outside of them. Then we'll explore Native Americans. Our friends will discover traditional symbols, listen to music, and pretend to ride horses. Lastly, we'll wrap up the month with Thanksgiving! Our friends will enjoy festive activities, including turkey bowling, Pin the Turkey, and creating Thanksgiving placemats to prepare for our special Thanksgiving feast! We can't wait for a month filled with exciting discoveries, hands-on learning, and lots of smiles!

Green Room

Happy November Green Rocket families! This month we have some exciting things planned! To start off the month, our friends will be learning about healthy choices/germs. We will do a fun germ experiment using glitter, soap, and water. Up next, we have pet life! Our friends will learn about different home pets, including birds! We will paint our own birdhouses. Following pet life, is Native Americans. We will be making a yummy tee pee food craft in which they will get to take home and enjoy! Lastly, we have Thanksgiving. Our friends will be making a silly turkey using colorful feathers! We are also looking forward to our Thanksgiving feast! We can't wait to share pictures of all the fun crafts and activities we will be doing this month!
