

JUNIOR JOURNAL

SEPTEMBER 2026

Dear KidsCo Jr Rockwell Families,

What an amazing start to our new school year! We are super excited for this year, and we can't wait for all the fun activities we have in store. We will kick off our year with our first Pizza and PJ Friday on September 4th. We will have Pizza and PJ Friday every first Friday of the month. The cost will be \$5 a child and that will cover pizza, 2 sides, 100% juice box, and a dessert. We ask that you send in cash as that is how we pay for the items. This is not a mandatory event. Be on the look out for reminders and flyers on daily connect. Picture day is coming up on September 17th. We will send out the order forms as soon as we receive them. I can't wait to see the little ones dressed up!

As the weather is changing, we will continue to go outside so please be sure to send your child in weather appropriate clothes. Along with that, please be sure to label all items that your child brings to school. I hope your September is full of joy and happiness!

With Love, Ms Brenda (Director)

Purple Room

September is here! Hello, Purple Flowers! This month, our little ones will be exploring exciting themes including Friendship & Feelings, Seasons, Fall, Apples, and Community Helpers! Throughout the month, we'll enjoy lots of hands-on learning through baby footprints and handprints, sensory activities, painting, and so much more! We can't wait to make sweet memories and watch our little flowers grow and learn!

DButler@KidsCoOnline.com
CJaeger@KidsCoOnline.com

Welcome back to school! We will start with All About Me. We'll make self portraits! Next up is sunflower and pinecone week! We will make our own sunflowers and paint with pinecones. That leads us into Old MacDonald week. We can't wait to make some farm animal crafts and have an animal washing sensory station. The next week is 5 senses, we will smell scented playdough and use our taste sense for a food tasting! To end the month, we'll learn about our community helpers. We will pretend to be helpers in dramatic play and drive school buses through paint to make tracks. We can't wait for a great month!

Orange Room

Happy September, Orange Room families! We hope everyone is enjoying the school year so far and we still have so much more to look forward to! This month, we will be discovering friendships & feelings! We will be making friendship bracelets for each other and learning all about being a good friend! Next, we will explore the seasons! We will discuss all four seasons, and we will make a special tree craft to represent each one! After that, we will focus on fall! We have so many fun sensory activities planned! We will also go on walks and collect different leaves to explore and use in our activities! Lastly, community helpers, one of my favorite themes! We will get to participate in lots of fun activities—including delivering mail! I can't wait to see what September has in store for us! Here's to a fun and exciting month ahead!

Blue Room

Happy September, Blue Room Families! To kick off the month, we will be learning all about Friendship! We will make a special friendship treat with yummy foods. Next, we'll jump into Seasons! Each day will focus on a different season. For summer, we will decorate our own ice cream. Then, we'll welcome Fall! We'll learn about leaves and learn why our clothes change along with the weather. Next up is Apples! We will explore apples in many ways! We'll learn about different apple colors and even explore their different tastes and textures. Lastly, we'll finish the month by learning all about Community Helpers! Our friends will discover the many important people who help our community every day. We'll have lots of fun learning about the different jobs and roles they play in our community! We can't wait to make September full of fun, friendship, learning, exploring, and lots of smiles!

Green Room

Happy September, Green Explorer Families! We're excited for a new month full of fun and learning! To kick off September, our friends will be learning about friendship and feelings. We will make a friendship soup which is a yummy treat that we will work on together, then take it home to enjoy. Up next, seasons! We will match the seasons with paint colors that go along with the seasons. Following seasons is Apples! We will learn about apples and the different colors they come in, as well as make Applesauce. Next, Fall! We will explore leaves and discover how and why plants change during the seasons. Lastly, community helpers. We have a fun, yummy firetruck treat that we will make. I can't wait to share pictures of all the fun crafts and activities we will be doing the month of September!
