

The Junior Journal

Dear KidsCo Jr. Rockwell Families,

Woohoo! October is here and we are so excited! This month is always filled with fun activities and events. Starting off strong with a field trip to the pumpkin patch for the green room! Don't fret, the little ones will also enjoy an on-site pumpkin patch the same day. We will also have a fire truck visit during fire safety week. We will be hosting a grateFALL back-to-school coffee and donuts event! More info to come! Of course, at the end of the month, we will have our Halloween parade, stand-or-treat, and party. Be on the look out for more information. Speaking of Halloween, the staff here will compete in a pumpkin decorating contest! We will be setting the pumpkins out the week of the 28th for you to vote for your favorite one. The winner will get lunch on me!

A couple of gentle reminders, please continue to check your children in and out on the tablet. Its very important to make sure all children are accounted for and safe. In addition, please make sure you are labeling all of your children's items. Things can get accidentally moved and a name on the item will help us give the items to the proper owner. As the weather is getting cooler, please send in weather appropriate clothes and extra clothes for your child to keep at our center. Happy October!

With Love,
Ms. Brenda, Director

Purple Room

Happy Fall! We are smoothly moving along into October, which means Halloween is right around the corner, woohoo! This month, we will be learning about Community helpers, fire safety week, Spanish heritage, five senses, and pumpkins/Halloween. This month is super awesome because we get to see some community helpers like: firemen/women, police officers, teachers, doctors, etc. Not to mention getting to enjoy the season of fall with all the colorful leaves, pumpkin carving and decorating, and our awesome Halloween party. 😊 Lastly, just a friendly reminder that Fridays are the days that we show our school spirit. Each week we will be doing something new for that Friday, so please be on the lookout on the tables and bulletin boards.

Orange Room

Happy October Otter families! We had an excellent first month of school! It's only been a month & I've seen my friends grow so much already! This month we will be focusing more on colors, shapes, letters, & numbers! This month's themes are community helpers, fire safety week, Spanish heritage, five senses, & pumpkins! I'm more than excited & ready for this month! I can't wait for all the fun activities this month & the Halloween party! Let's have the best October ever!

Blue Room

Hello, Shark Families. Happy October! This month, we've got some exciting things planned! During October, we will learn about community helpers, fire safety, Spanish heritage, five senses, and pumpkins! During fire safety week, we have a fun food activity where we'll make an edible fire truck! For Spanish Heritage Month, we will sample and learn about various Spanish foods! Finally, I'm most enthusiastic about our Halloween party and pumpkin picking in our classroom! I can't wait to share photos of all the exciting activities and crafts.

Green Room

Happy October to my green room families 😊! It's officially spooky season so with that being said, one of the fun things we have planned for this month is our halloween party 🎉👻. I'm also super excited to be going to the pumpkin patch with all of my friends! They will have such an amazing time riding the bus, doing awesome activities, and picking out their own pumpkins! This month we will be focusing on community helpers, Spanish heritage, fire safety, five senses, and pumpkins! Lets have another amazing month
